

Subject: Application of Regulation no. 1907/2006 (REACH)

Rev. 16

Dear Customer,

we would like to inform you that all the substances on their own or in preparations for which Marcegaglia Carbon Steel S.p.A. result to be producer or importer have been registered within Nov. 30th, 2010, as foreseen in the CE Regulation NO.1907/06 REACH.

Marcegaglia Carbon Steel S.p.A. result to be responsible for the registration of the following substances/preparations:

- Iron sulphate as producer;
- Iron oxide as producer.

Hereafter, you will find the registration numbers connected to each substance of our responsibility:

Substance	Registration date	Registration number
Iron Sulphate	22/11/2010	01-2119513203-57-0019
Diiron Trioxide	11/11/2010	01-2119457614-35-0044

To ensure you with the usual continuity in the supply of our products, we would also inform you that we are in the process of checking that our suppliers have performed the due registration; in case this hasn't occurred, we will substitute the used substances with others honouring all requirements as legally approved. In any case, our supply of products will not be subject to any modification.

With reference to our leading products such as: welded tubes, profiles, cold drawn, coils, strips and carbon steel plates, we underline that they are all included in the definition of article stated in the Regulation (CE) No. 1907/2006 of the European Parliament and of the Council dated December 18th 2006. As per art. 7 "Registration and notification of substances contained in articles", paragraph 1 letter b), such articles are not subject to registration since the substances they may contain are not foreseen to be released under normal or reasonably predictable conditions of use.

We also inform you that all articles produced by Marcegaglia Carbon Steel SpA exclude the presence of SVHC substances listed in the candidate list published by ECHA in concentrations greater than 0.1%, including the substances added with document D(2020)4578-DC issued on 2020/06/18.

An updated list of those substances is listed in the ECHA website at:
